

FAQ'S

- 1. What do you use for axles?** All of our DuraBull Trailers are equipped with Dexter Torsion Axles and have a 10 year warranty.
- 2. What is your standard height?** All of our trailers have a standard height of 6'6"
- 3. Do you sell Direct?** At this time all of our sales go through our dealer network. We will however assist you in finding the closest dealer and finding the perfect trailer for your needs.
- 4. How many inches on center?** Our trailers are all 16" O/C floor, walls and ceiling.
- 5. How long are lead times for custom trailers?** Due to the economic impact of COVID-19 our lead times vary depending on the type of trailer and customizations you are looking for. For a more accurate time frame, please contact your local dealer.
- 6. Do you offer trailer financing?** DuraBull Trailers is a licensed manufacturer with Sheffield Financial and most of our dealers also offer financing with them.
- 7. Where are you located?** DuraBull is located in Merrimack, NH but we have dealers all over New England that can assist you. For a full list visit our dealer page.
- 8. Are you accepting new dealers?** Due to COVID-19 setbacks, we are not accepting any new dealers at this time. We will review all applications submitted and save them. When we start expanding our dealer network again, expect a call from us!
- 9. How many dealers do you have?** We currently have 20 DuraBull Trailers Dealers in our network.
- 10. How can I get a DuraBull Hat?** We get this question A TON! To purchase DuraBull Gear use the link to our Gear Shop on our website. To get a free hat sent to you, like our Facebook page, leave a review and message us when completed!
